OTTO

Otto has a bold style with metallic-looking surface and robust design. Otto's brushed surface, designed with a distinctive and unique approach, creates a timeless and modern look.

With the perfect blend of soft fabric texture and hard metallic look, Otto captures a flawless harmony. Inspired by the neutral color transitions of oxidized metals, minerals and elements, Otto creates an effective user experience interacting with people via latest technology.

The aluminium shelf system completes the elegant style while Otto's brushed anthracite handles provide an ergonomic use.

LUNA

A perfect reflection of Scandinavian design...
Luna creates a balance between real life and minimal design with its soft colors and contemporary style.

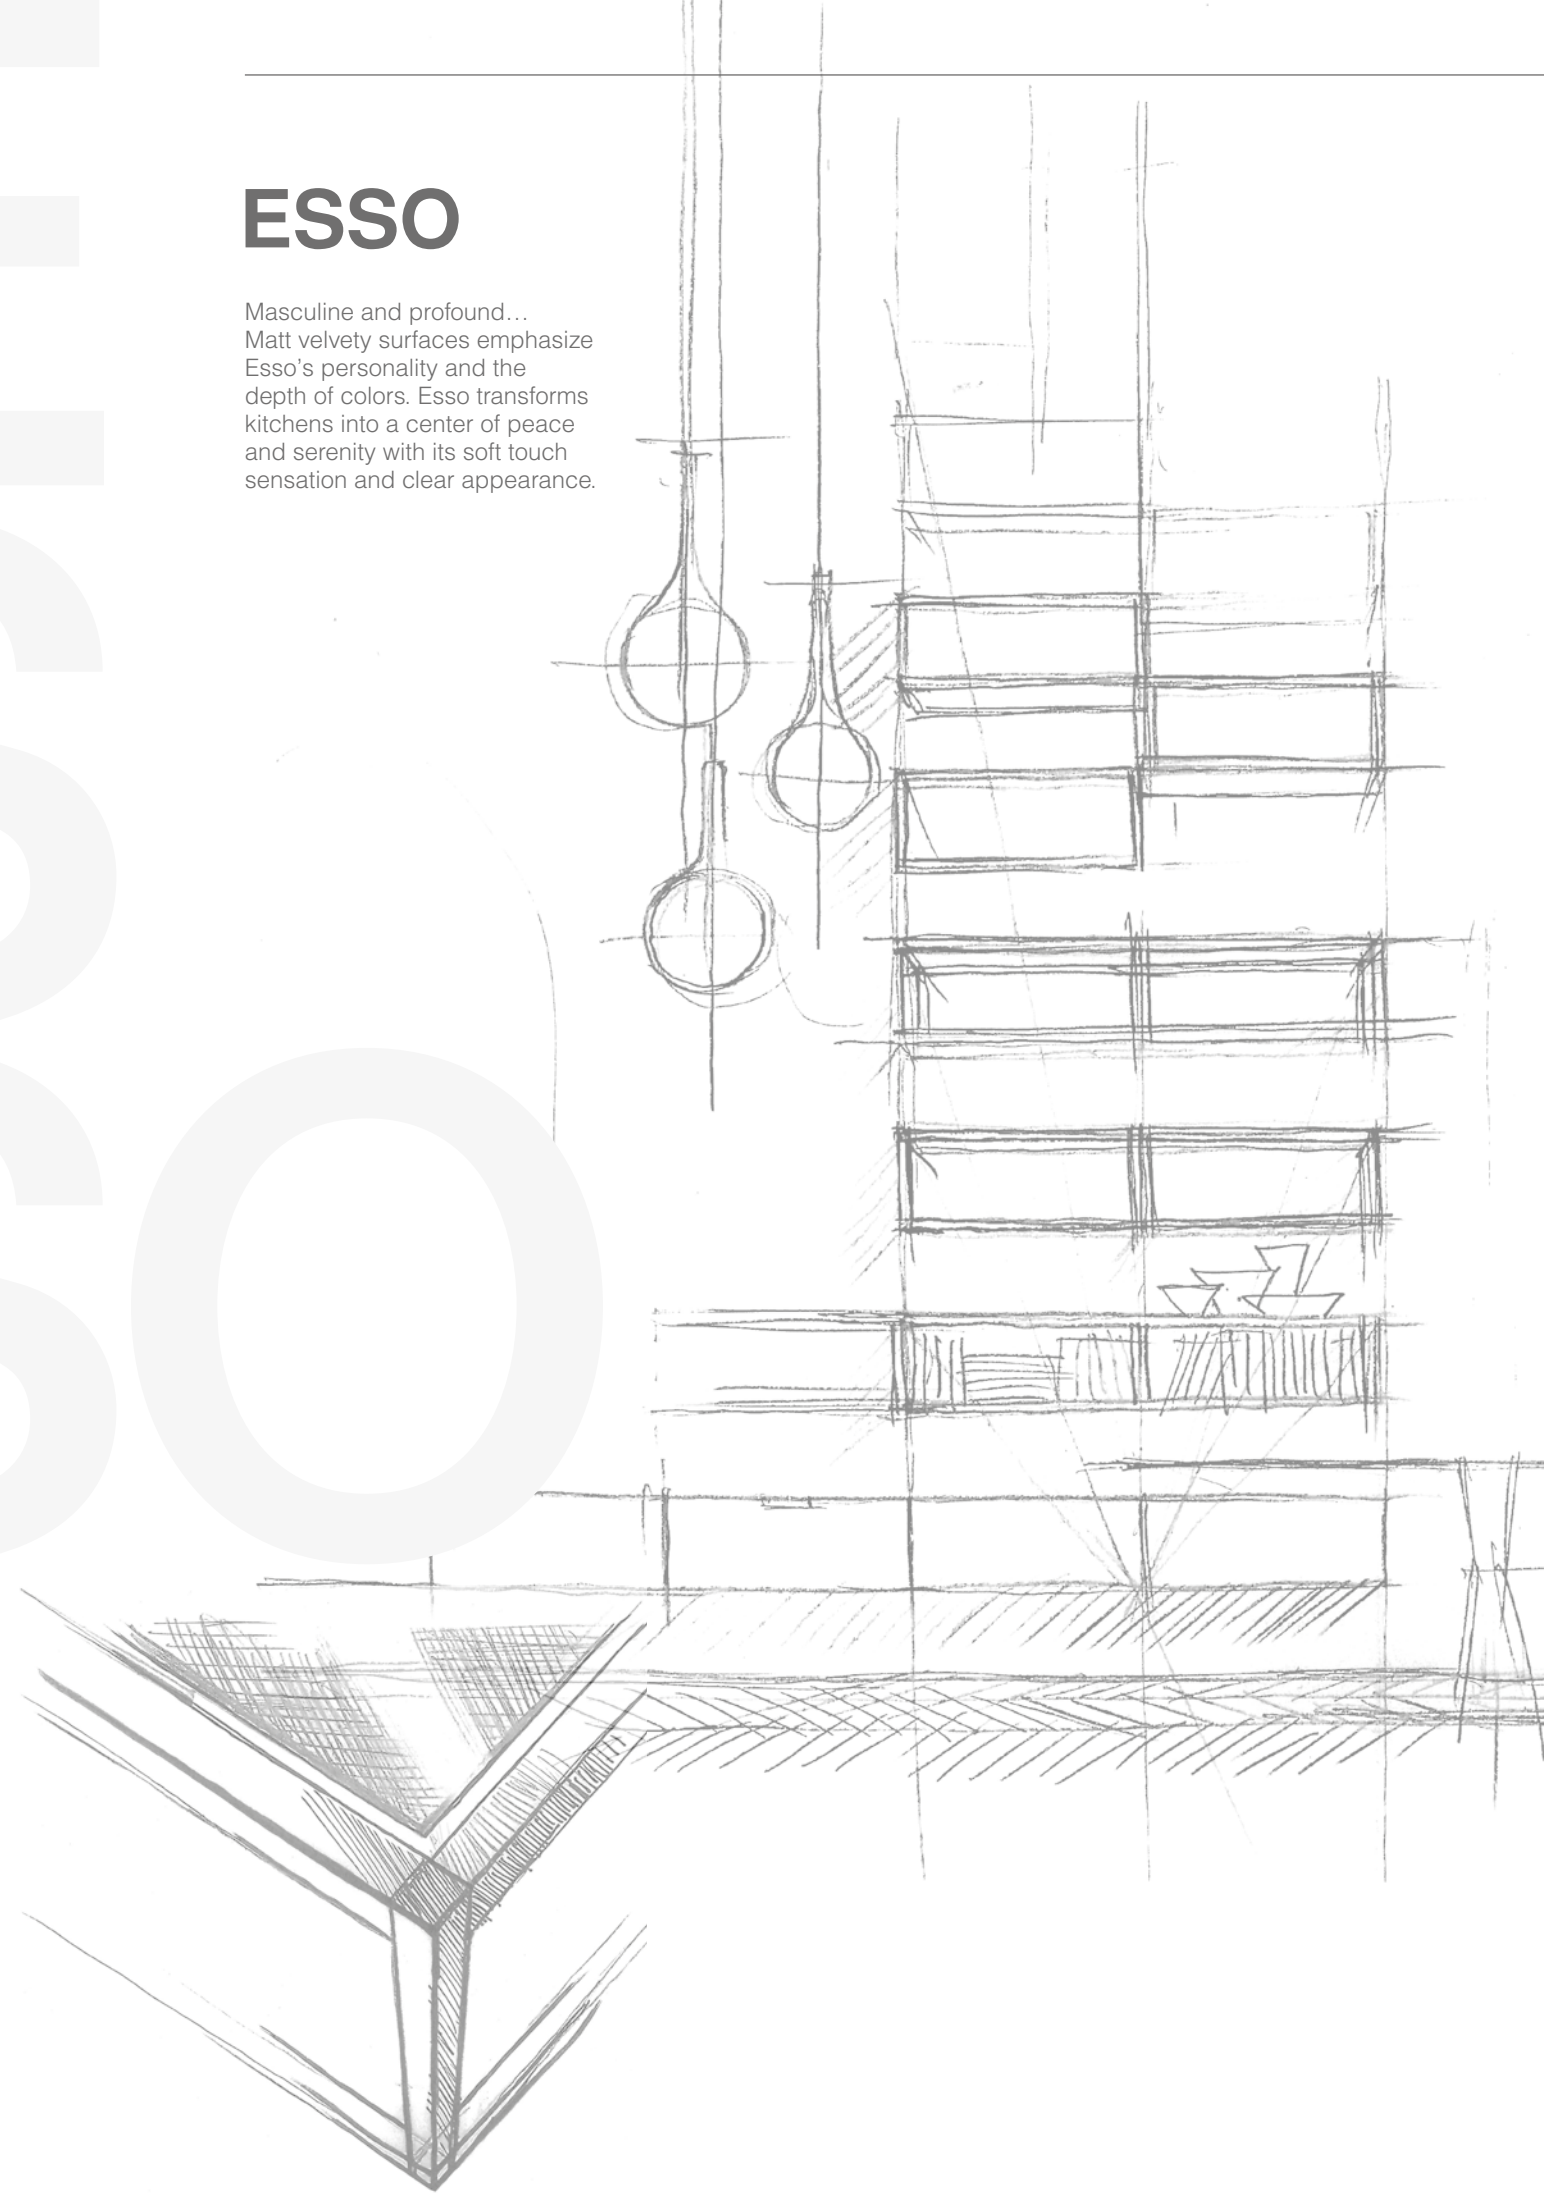

Luna's thin framed doors create a modern and warm atmosphere thanks to its matt lacquered and silky neutral wooden tones. Living spaces blend seamlessly with the heart of the house as the kitchen counter integrates with the dining table.

ESSO

Masculine and profound...
Matt velvety surfaces emphasize
Esso's personality and the
depth of colors. Esso transforms
kitchens into a center of peace
and serenity with its soft touch
sensation and clear appearance.

Esso creates a calm and modest background with its neutral color palette and provides freedom when styling the kitchen.

The sophisticated and striking appearance of the black framed glass wall cabinets captures a perfect balance with the recessed lighting inside the cabinets.

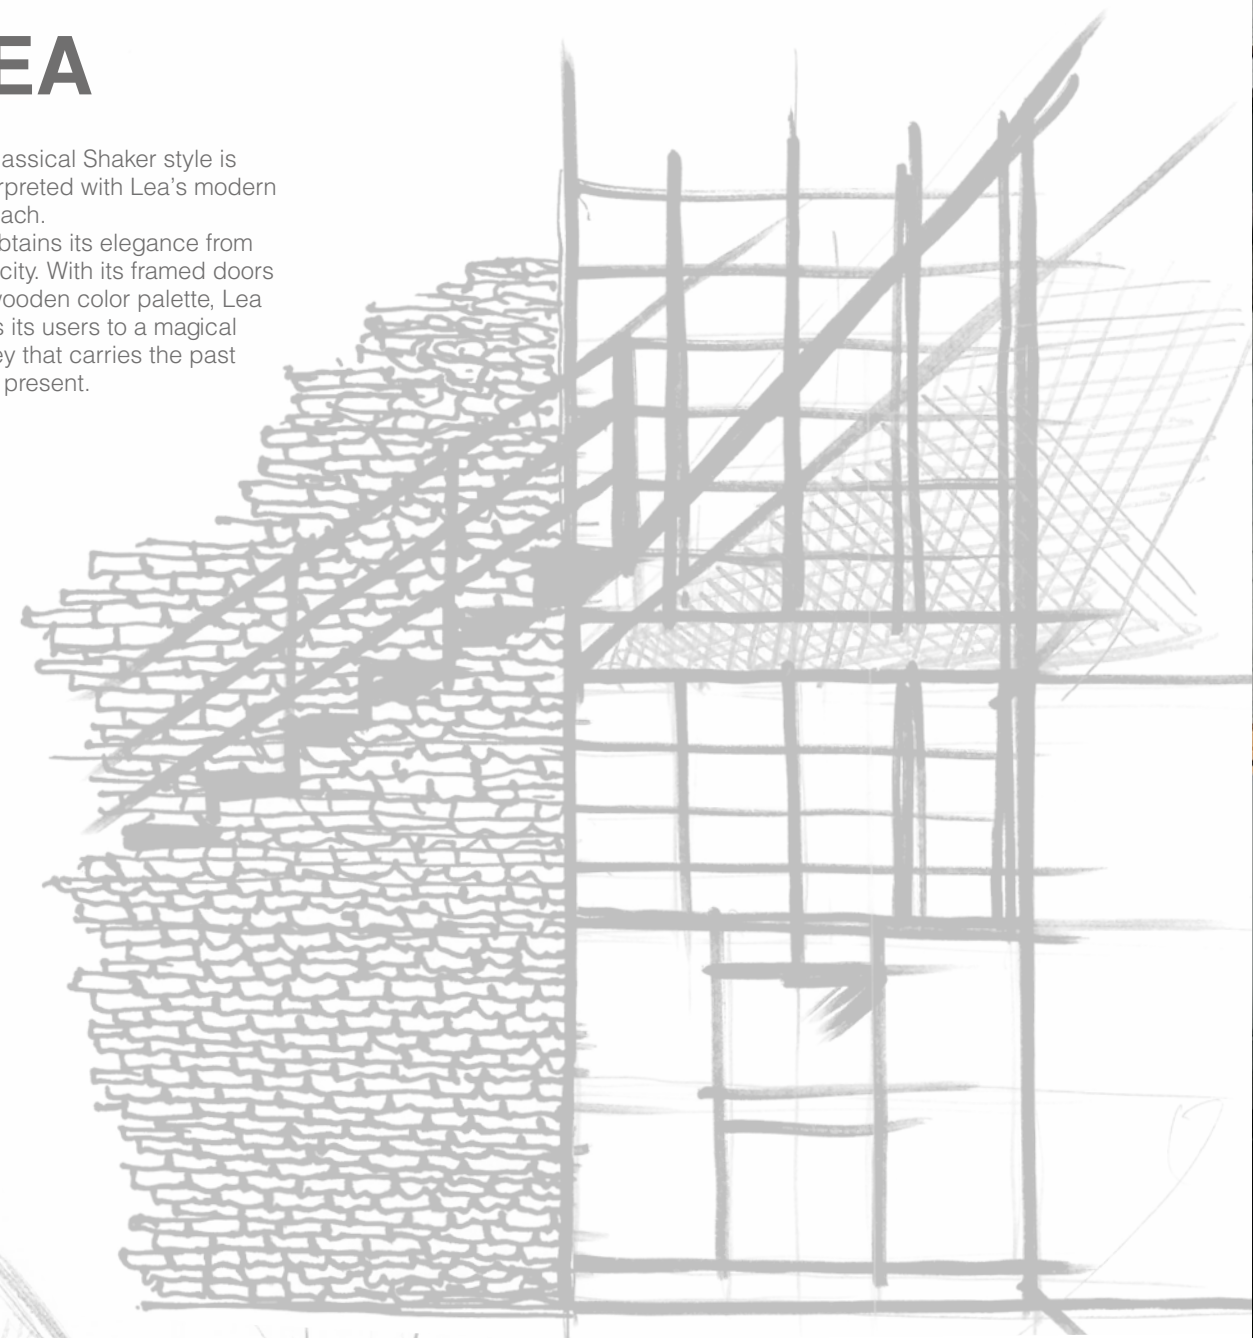

LEA

LEA

The classical Shaker style is reinterpreted with Lea's modern approach. Lea obtains its elegance from simplicity. With its framed doors and wooden color palette, Lea invites its users to a magical journey that carries the past to the present.

Lea's built-in lighting under the wall cabinets creates a natural and spacious atmosphere with its minimal design.

Island kitchen solutions define the boundaries of two separate living spaces in a stylish way while expanding the food preparation area and offering a bar-height seating opportunity as an alternative to the dining table.
